AIPLA Members and Friends:

We are thrilled to welcome you to AIPLA’s 2023 Annual Meeting, a flagship event that brings together the brightest minds in the field of intellectual property law. As a valued member and friend of the association, we invite you to join us for this annual gathering of industry experts, thought leaders, and legal professionals.

The Annual Meeting serves as a platform for exchanging knowledge, sharing insights, and fostering connections within the IP community. This year’s event promises to be an enriching experience, offering a lineup of engaging sessions, interactive discussions, and networking opportunities. Our programming will explore the latest developments, emerging trends, and critical issues shaping the IP landscape, from the ethical implications of Artificial Intelligence in research and development, trademarks and the First Amendment, and Standard Essential Patents licensing, to the PTAB, Section 101, transformative fair use after the recent *Andy Warhol Foundation for the Visual Arts, Inc. v. Goldsmith* decision, and the trademark ramifications following the *Jack Daniel’s Properties, Inc. v. VIP Products LLC* decision.

Keynote addresses from renowned industry leaders, including USPTO Director Kathi Vidal, will provide invaluable perspectives. Sessions led by subject matter experts will offer in-depth analyses on the evolving challenges and opportunities in all areas of IP law.

Beyond the educational opportunities, the Annual Meeting will feature ample social events and networking opportunities, including the New Member/First-Time Attendee Reception, Diversity Reception, Evening Celebrations, Committee Business Meetings, and much more.

Save the date and mark your calendars for the Annual Meeting. We look forward to welcoming you to this premier event, where the IP world connects.

Sincerely,

Mentoring Programs

The Mentoring Committee launched its new Mentoring Season Program. The enrollment for each Mentoring Season Program will be open for two weeks following each stated meeting. During this period, AIPLA members have the opportunity to submit an application to be placed in a traditional 1:1 mentor and mentee pairing or a mentoring cluster (a cluster is a group of about 4-6 practitioners).

To support our Committee's mission to foster more long-standing, organic relationships, we will hold a virtual pairing event after the enrollment period, which will give applicants the opportunity to interact with potential mentors/mentees before forming a pairing or cluster and submit preferences based on real connections made during the event. Subsequently, the committee's Relationship Manager and Matchmaker will pair the applicants based on their submitted preferences.

Stay tuned for our next enrollment period immediately following the Annual Meeting!

The Mentoring Committee facilitates traditional one on one mentor/mentee pairings and offers support to these pairings through our Relationship Manager and Matchmaker.

Mentoring Clusters

The Mentoring Committee facilitates a cluster program where groups of AIPLA members are joined together based on experience levels, for example, a cluster may include a seasoned level, a mid-level and 1-2 junior level/law student. Clusters can be grouped according to preferences submitted by each applicant.

On-site Stated Meeting Pairings

The Mentoring Committee facilitates the mentoring of AIPLA members at on-site stated meetings via one on one pairings. The pairings are for the duration of the stated meeting with the opportunity to continue the relationship.

Law Students Community

The Mentoring Committee created a law students community, run by law students, to provide focused offerings to our law student members.

New Lawyers Community

The Mentoring Committee is in the process of creating a new lawyers community, run by new lawyers, to provide focused offerings to our new lawyer members.

Join the Mentoring Committee/Get Involved

Please contact Chair, Jessica Ergmann at jessicaergmann@gmail.com or Vice Chair, Angela Sebor at seborconsulting@gmail.com if you'd like to join the committee, get involved, or have any questions.

You can sign up on the registration form to be paired with a Mentor or Mentee for this meeting. See Page 20.

Corporate In-House Counsel — Attending Your First AIPLA Meeting? Please, Be Our Guest...

AIPLA has a special offer to encourage in-house corporate counsel to attend an AIPLA major meeting to see first-hand the outstanding CLE programs we provide. For individuals who have never attended an AIPLA stated meeting, such as Mid-Winter, Spring, or Annual Meeting, who are also corporate in-house counsel, AIPLA will waive the registration fee. Tickets to the events are not included in this registration. You will need to pay for those events separately. This waiver of fees is available for one stated meeting only.

To take advantage of this one-time offer, simply complete the registration form and email it to meetings@aipla.org. Once AIPLA has verified that this is your first major meeting and that you meet the in-house corporate counsel criteria, you will receive a registration confirmation. Our hope is that you enjoy your experience at your first AIPLA meeting and that you will join us again for future programs and become more actively involved with the work of the Association, especially through involvement with the Committees.

If you qualify for this special offer, please select the box listed as "first-time corporate in-house counsel" on the registration form.

Solo Practitioner Discount

AIPLA Solo Practitioner Member:

\$995 Pre-Registration (before August 31)

AIPPI-US: GOING STRONG AND GROWING

Join AIPPI-US

AIPLA has a rich history of engagement with the international IP community. A great way for AIPLA members to get involved in international IP is through AIPPI-US, which is a Division of AIPLA. AIPPI-US is the US group for AIPPI-Intl, which is the international organization of business firms, executives, lawyers, educators, patent and trademark agents, and people like YOU! Adding an AIPPI-US membership to your AIPLA membership can be done by signing up on your "Member Center" tab on the AIPLA website.

Join the 2023 (Virtual) AIPPI-US Quarterly General Membership Meeting on October 11th, from 11:00 AM - 12:30 PM ET. [Click here to join](#)

2023 AIPPI World Congress in Istanbul, Turkey

The 2023 AIPPI World Congress is set to take place in Istanbul, Turkey from October 22 - 25. See more details here: aippi.org/event/2023-aippi-world-congress-in-istanbul/

Why Join the AIPPI-US Division of AIPLA?

AIPPI brings together leaders from many national groups on a level playing field, providing unique opportunities to learn about IP law in other countries. One of the important benefits of membership in the AIPPI-US Division of AIPLA is the chance to meet and get to know top US and international IP lawyers and learn about US intellectual property law in an international context.

AIPPI at Work

AIPPI is the international association for the protection of intellectual property. AIPPI Resolutions can and do provide support for international and national lawmakers, advocates and decision-makers engaged in the work of advancing the development of IP treaties and laws and in applying such authority to determine the rights of parties. WIPO and the "IP5," as well as other regional and national patent or intellectual property offices, legislatures and courts, are among the important organizations and institutions to consider such input from AIPPI. Becoming a member of AIPPI-US is YOUR opportunity to help guide the development of international IP laws.
